

## CIDERS ON DRAFT

Served by the pint

**Magners Golden Draught**

**Magners Pear**

**Thatchers**

## CLASSIC CIDERS

### **Magners Cider**

Origin: Clonmel, Ireland

Range: Original, Pear.

ABV: 4.5%

Produced using over seventeen varieties of apples that are left to drop before pressing and filtering in the traditional way. The cider is fermented for two years to allow it to mature and develop.

### **Bulmers**

Origin: Hereford, Herefordshire

Range: No 17, No 19, No 20.

ABV: 4%

Made in Hereford by our 5th generation of cider makers, Bulmers is the No.2 premium packaged cider brand in the UK.

### **Rekorderlig**

Origin: Vimmerby, Sweden

Range: Fruit flavours

ABV: 4%

Made from the purest Swedish spring water, they use a number of fruit ingredients to establish their range of unique flavours a combination. Serve over ice

### **Old Mout**

Origin: New Zealand

Range: Fruit flavours

ABV: 4%

Old Mout was dreamed up in New Zealand's Moutere Valley over 65 years ago. Each flavour is clear, pale refreshing and a burst of fruitiness!

## **Addlestones**

Origin: Shepton Mallet, Somerset

Range: Cloudy.

ABV: 5.5%

Addlestones is a naturally cloudy cider due to the natural yeast and apple residue that is kept in the cider right through the crafting process. It's a genuine live cider, just like a real ale.

## **Aspall**

Origin: Stowmarket, Suffolk

Range: Perronelles Blush.

ABV: 5.5%

Aspall Suffolk Cyders are only made from 100% juice of whole fresh pressed English apples. Aspall use different apples to make different base cyders for later blending.

## **Westons**

Origin: Nr Ledbury, Herefordshire

Range: Wyld Wood Classic, Medium Sweet

ABV: 6.5%

Westons Cider has been lovingly produced in the Herefordshire village of Much Marcle for over 130 years and they have never wavered in their commitment to making the very best quality and traditional cider.

## **Herefords Pilgrim**

Origin: Nr Ledbury, Herefordshire

Range: Triple Filtered

ABV: 5.5%

Pilgrim Cider is tripled filtered for purity and freshness, a process that sets it apart from most other ciders. Hereford's Pilgrim Cider has been developed to support British military charities in recognition of the amazing and highly dangerous work carried out on the nation's behalf by British service personnel. A £1.20 donation to Help the Heroes is made for every case sold.

## **Herrljunga**

Origin: Herrljunga, Sweden

Range: Apple

ABV: 4.5%

With more than 100 years of experience, Herrljunga Cider (pronounced Hair-lunga) is one of the Pioneers in crafting pure Swedish cider. Using only natural ingredients, the best apple and pear wine is blended with spring water from their own well to produce Sweden's no.1 cider.

## **Orchard Pig**

Origin: West Bradley nr Glastonbury, Somerset

Range: Reveller, Charmer

ABV: 4.5/6%

Orchard Pig ciders are made using as many apples scrumped from Somerset orchards managed by Orchard Pig Ground Force as possible. Orchard Pig's home in West Bradley Orchards is well and truly rooted in Somerset's cider-making history, dating back to the 1850's.

## **Savanna**

Origin: South Africa

Range: Dry

ABV: 5.5%

Savanna Premium Dry Cider is a supreme quality cider. This refreshing beverage is made from the finest Granny Smith apples in South Africa. This apple cider is best drunk cold with a lemon wedge popped into the bottle neck.

## **Thatchers**

Origin: Sandford, Somerset

Range: Gold, Rose

ABV: 4.8/5.4%

For more than a hundred years, the Thatchers family has been quietly perfecting the magic that turns apples into cider at Myrtle Farm. Each generation has passed on its cider-making secrets, like encouraging the bees to pollinate the apple blossom or looking after the 100 year old oak vats where the cider matures.

### **Chaplin & Cork's**

Origin: Somerset

Range: Gold, Reserve

ABV: 5.2/6.8%

Our master cider makers Rob Chaplin and Bob Cork had a simple passion, to make cider to surpass all others. Using only fresh juice from the finest quality English apples, they pressed and crafted an exquisite range of ciders and disguised them as Batch 417 at our cider mill to savour for their own employment. The secret didn't last long and word quickly spread how special these ciders were.

### **Montano**

Origin: Trentino, Italy

Range: Originale

ABV: 5.0%

Montano is an elegantly crafted Italian cider made only from apples grown in the foothills of the Trentino region of Northern Italy. Montano is a golden, elegantly sparkling, fruit driven medium-dry cider with refreshing, crisp finish.

# **TRADITIONAL CIDERS**

## **Served by the pint**

### **Black Rat**

Origin: Somerset

ABV: 6.0%

Black Rat is a dry, award winning, premium English cider. Unpasteurised, maintaining the apple's full flavour. A typical West Country traditional cider, hazy in appearance, with a medium dry full flavour.

### **Thatchers Heritage**

Origin: Sandford, Somerset

ABV: 4.9%

A traditional Somerset cider at its best – light and refreshing. It is made from specially selected apples and matured in Thatchers 100 year old oak vats to give its distinctive flavour.

### **Westons**

Origin: Ledbury, Herefordshire

ABV: 4.8%

Westons cider has been lovingly produced in the Herefordshire village of Much Marcle for over 130 years and they have never wavered in their commitment to making the very best quality and traditional cider.

### **Snuffler**

Origin: Somerset

ABV: 4.8%

Made using the best apples from the West Country. A bright golden amber cider with a fruity character. It is deep, intense cidery with a fragrant fruity nose.

### **Tree Shaker**

Origin: Somerset

ABV: 7.0%

Made using fruit only fallen from a shake of the tree -just ripe in our eyes - It has a delicious refreshing taste with strong hints of apple.
